

Core Values: Art Project Desk Protector

Assignment: Create a decorative and functional desk protector for your desk. Your protector will be laminated and taped to the top of your desk.

Criteria:

1. Your desk protector must contain a decorative border around its outside edges.
2. It must represent YOU as a person (interests, hobbies, friends, family, pets, etc.)
3. It must include at least three different types of media (photos, drawings, poems, songs, ticket stubs, clippings, etc.)
4. It must include three of your core values, represented both in words and with a visual image. (eg. The word *"family"* written in bright lettering beside a photo of your family OR *"environmentalism"* written beside a sketch of your favourite beach)
5. It must include your name in clear lettering and in an interesting font.
6. All material must be appropriate for school.
7. There should be no blank areas on your protector.
