

***Identity...***

***Answer the following questions as best as you are able***

What is identity and how is it shaped?

Why is knowing your identity important?

How do values shape our identity?

Can our identity change as we age?

What do *I* care about?

How would my family describe me?

How would my friends describe me?

What do I want others to know about me?

How am I like others and how am I unique?

What is my favorite thing about myself?
